

ONE GUARDIAN IS ENOUGH FOR HEIR

Young Hopkins Wants to Put the Old for the New and Stop Litigation Over His Father's Will.

(Special to The Evening World.)
WHITE PLAINS, N. Y., Nov. 4.—The famous will of the late Major Robert M. Hopkins, the first of the great fortune, which was brought to light three years ago by Joseph W. Millard, special guardian for Robert M. Hopkins, Jr., and which has been in the hands of the court ever since, is now being fought in court by the son of the late Major Hopkins, who is now a young man, against his guardian, because he cannot prevent his guardian from continuing the litigation, which under the will, took a new turn when an order for the special guardian, to show cause why he should not be superseded, was secured.

Joseph W. Millard, representing F. G. LeRoy, of Tarrytown, who was yesterday appointed general guardian for the boy, by Justice Smith on the personal application of young Hopkins, appeared before County Judge Platt and secured the order to show cause returnable before Justice Keogh to-morrow.

Young Hopkins, who is seventeen years old, has declared that he wanted the contest over his father's will

stopped, as he is satisfied with its provisions and that he desired the special guardian to end the litigation.
Mr. Millard, however, declared that he has to go on with the case because the interests of the young man demand it.
Lawyer C. S. Davison, representing the widow, to-day filed a \$100,000 bond for the new general guardian, who, through Lawyer Millard, will seek to-morrow to be substituted in the place of Middlebrook. Mr. LeRoy in his petition, says:
"The special guardian is rapidly involving the infant in fresh complications and expensive claims and unnecessary litigation, which should be avoided as much as possible."
"The general guardian has higher and more extensive rights than the special guardian," said Lawyer Davison, "and that is the reason young Hopkins will seek to have the special guardian removed and the general guardian appointed to look after all his interests and end this long and unsatisfactory litigation. Four times Major Hopkins's will has been declared valid, and yet the son has been forced to carry on the fight, with his mother as the only defendant."
Major Hopkins left an estate of \$500,000, and if the will is set aside the son will be much richer than under its original provisions. It is expected that the hearing before Judge Keogh to-morrow will be bitterly contested, eight lawyers being involved in the case.

SPECIAL NOTICES. BY A KENTUCKY DOCTOR.

Dr. L. A. Crinnian, of Stanley, Ky., says: "My sister is past 82 years old, and she gets about more like a young person than one so old, since taking Father John's Medicine, which has done her so much good. I shall recommend it to the other physicians in this section." (Signed) L. A. Crinnian, M. D. Cures colds, throat and lung troubles; makes flesh and builds up the body—not a patent medicine.
